Notes

1. Bill was the 1st member of Glenrothes Hillwalkers Club to complete all his Munros. Bill also completed the Furth of Scotland on Foel Fras in Wales in 1996. Bill is possibly the only member to achieve this.
2. Steve is a past Chairman of the Club and has done over 1000 Munro ascents!
3. Wendy was on the committee (huts) in the past.
4. Wanda was on the committee (indoor meets) in the past.
other times.
5. Mick was the Club Chairman, 2006-2008.
6. Bob is a blatant hill list ticker. Obviously a Train spotter in the past!
7. Kate is a past Chairperson.
8. Janice is a past Chairperson
9. Wendy and Norman are past committee members (indoor meets and walks).
Wendy and Norman are the first couple in the club to have completed together.
10. George is the former Vice-Chair & 'buses' committee member and has also been all over the Highlands, without being able to drive.
11. Cameron is a past Chairman and was also married during his term.
12. Andrew was the Clubs Supreme Webmaster for many years.
13. Janice, along with a friend, are probably our highest ascenders having achieved Meru Peak in the Himalaya in October 2010
14. The well known duo of Dave and George completed together on Ben More.
15. Albert completed all his Munros without being able to drive.

The only people who appear on here are either current members of Glenrothes Hillwalkers Club or past members who have asked for their achievements to be listed here.

Please let me apologise in advance for mistakes with peoples data. Send all corrections, updates, any additional information you would like to see to me, or hand to a committee member. This is only the mark 2k version of 'Hill of Fame' and will be subject to changes. (15.10.16)
